Lake Walcott

Sunday Sept 30th

8am – 1pm

We will launch at 8 AM for the Wolcott boat ramp and have weighed in at 1 PM at the ramp.

Back by popular demand, Sunday, September 30, 2012 will be our second annual husband-and-wife team Bass tournament. To participate you must be husband-and-wife,(definition of husband-and- wife) a couple who are married to each other. There will be a picnic and award ceremony after the weigh-in. Entry fee is \$20 per couple. With no restrictions on pre fishing. If you missed last year's tournament, then you need to be here this year. We had a great time last year, and it should be even better this year. Items you will need for this tournament.

- One husband or wife. A type of fishing apparatus. A big smile.
- Patients. A great attitude. A large appetite. And a camera to take
- pictures of the fish your wife just won with.

Please call Larry or Lisa so that they know you're going to be there
